

The Perfect Island Escape - Jersey

Jersey is the perfect island break - somewhere a little way apart, a little bit different and slightly exotic. A place where you can experience the unique character of land, coast, beach and sea, a place where you can relax and just be yourself. Small in square miles but big in places to go and things to see, Jersey's close proximity to the UK makes it easy to fit plenty into your island break. The best way to see the island and Jersey's stunning and diverse coastline, is on your included full day island tour. There are many photographic and refreshment opportunities on your way around the island and your experienced and helpful driver guide provides you with an informative live commentary delivered with humour and an element of local stories about the island.
